

# iConnectHere Partnership Programs

## A variety of turnkey solutions for partners around the world

Join a world of VoIP innovation by partnering with iConnectHere, deltathree's consumer group. Since our inception in 1996, we've provided state-of-the-art Internet phone service and award-winning VoIP products to consumers and small businesses worldwide. Utilizing advanced Session Initiation Protocol (SIP) technology, we support hundreds of thousands of active users and terminate millions of minutes around the world. Our Broadband Phone customers enjoy great domestic and international long distance rates in addition to a continually evolving feature set and superior quality of service.

iConnectHere's turnkey programs enable our partners to increase revenues by adding VoIP services to their offerings. Through individual agents, online retailers and service providers, we bring iConnectHere service to many new customers every day. Our experience in retail Internet telephony gives us valuable insights into the consumer market. Information on the behavior, preferences, and needs of our customer base helps us shape our products and services as they evolve, and we bring that expertise to you.

## Exceptional Programs

iConnectHere's partnership programs will immediately generate new revenue streams for your business whether you are looking to become an Agent for iConnectHere or sell your own Co-Branded VoIP service. Our flexible programs allow you to get to market fast with minimal initial investment, positioning you for success in a rapidly growing and evolving marketplace.

## Unleash the power of your brand

### Co-Branded Program

Start offering Broadband Phone service under your own brand without major capital investments. iConnectHere will provide the products and services, freeing you to concentrate on sales and marketing to your customers. Our Co-Branded Program can be tailored to fit your needs, and our experienced team brings you the expertise necessary to launch a product quickly and effectively to your target market.

## Get in the game

### Agent Program

It's time to join the VoIP revolution and get in the action. At iConnectHere, we'll pay you commissions to sell our services with no up-front investment. As your business grows our Agent Program grows with you, offering you more customization and more commissions. All you need to do is refer new users and start earning your share.

## iConnectHere's Commitment to Quality Service

iConnectHere is committed to bringing our customers, both our end users and our partners, the highest quality service. We have invested heavily in our network to provide the best possible call quality, and we know from our customers that our work is paying off. Similarly, we have a team of dedicated representatives ready to solve any problems or questions that our partners may have.
